1. Laboratory results should be used with other clinical information to determine a final diagnosis.
2. In case of unexpected test results please contact the laboratory. We will investigate and repeat analysis if possible.
3. The medical report must be viewed and reproduced as a whole.
4. This medical report is not intended for medico-legal purposes.
5. The medical report is to be interpreted and used by medical personnel only
6. The results reported herein are as tested by Quest Diagnostics, Gurgaon, unless remarked upon otherwise.
7. Assays are performed and reported in accordance with the stated schedule.
8. There may be circumstances beyond our control that delay results, e.g., invalid assay run.
9. The results of a laboratory test are dependant on the quality of the sample as well as the assay procedure.
10. A requested test may not be carried out if:
 - a. Sample is insufficient or inappropriate.
 - b. Sample quality is unsatisfactory.
 - c. Request for testing is withdrawn by the ordering doctor or patient.
 - d. There is discord between the labelling of the sample container and the name on the test requisition.
11. For any query contact client services (telephone number): 1800 180 5227 (toll free)
